4. The strategy identifies key commitments over the next four years which will help to deliver the FIVE objectives.

Objective 1: To build our understanding of hate incidents and crime.

- We will listen to resident’s views on hate incidents in the borough through the Council’s Annual Survey.
- Our Community Safety Intelligence Hub will continue to collect data to analyse hate crime patterns, hotspots, perpetrators and victim vulnerability so that we can take action to prevent incidents and crime.
- We will work with the Hackney Learning Trust and Young Hackney to ensure that Young People have a clear voice in this process.

Is there anything else that you feel we should be doing that hasn’t been included?

Objective 2: To build community resilience against extremist beliefs and attitudes.

- We will support grass roots community cohesion activity in the borough through increased engagement between the Community Safety Team and community partners.

Objective 3: To increase the reporting of hate incidents and crime.

- We will produce a ‘no place for hate’ reporting leaflet for use by council teams and community partners to promote reporting.
- We will also partner with third party reporting services Stop Hate UK and the Community Alliance to Combat Hate (CATCH).

Is there anything else that you feel we should be doing that hasn’t been included?

Objective 4: To respond to hate incidents and crime in our community

- We will use our CCTV and enforcement officers to support the police in gathering evidence, tackling hate and prosecuting offenders.
- We will train Hackney Council staff to recognise and respond to any hate crime witnessed in a timely, appropriate and effective manner.
- We will ensure that frontline delivery departments and partners have a consistent and clearly documented protocol for response to hate crime.
