

Estate Recycling Programme Broadway House

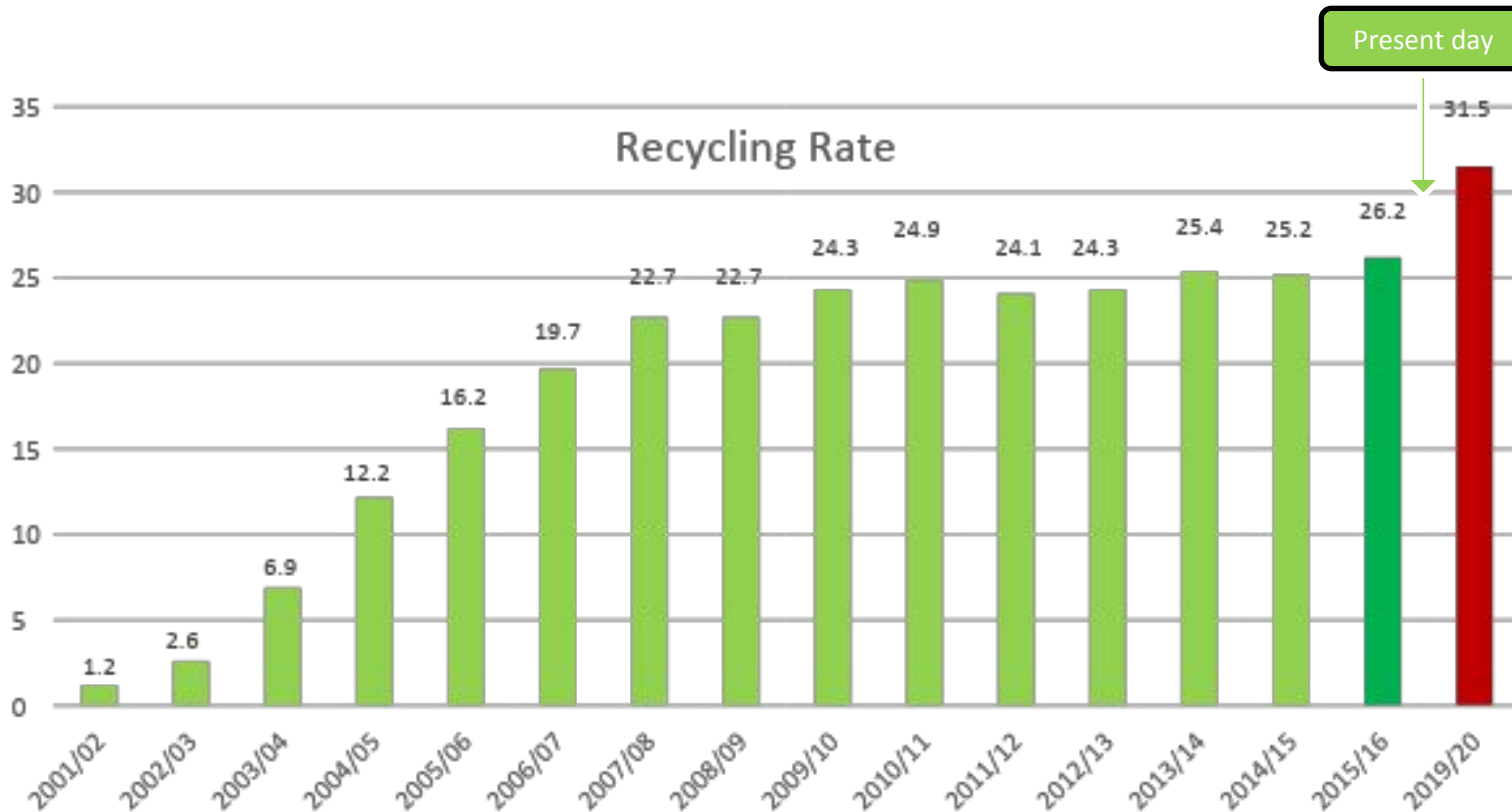

Introduction to the ERP Team

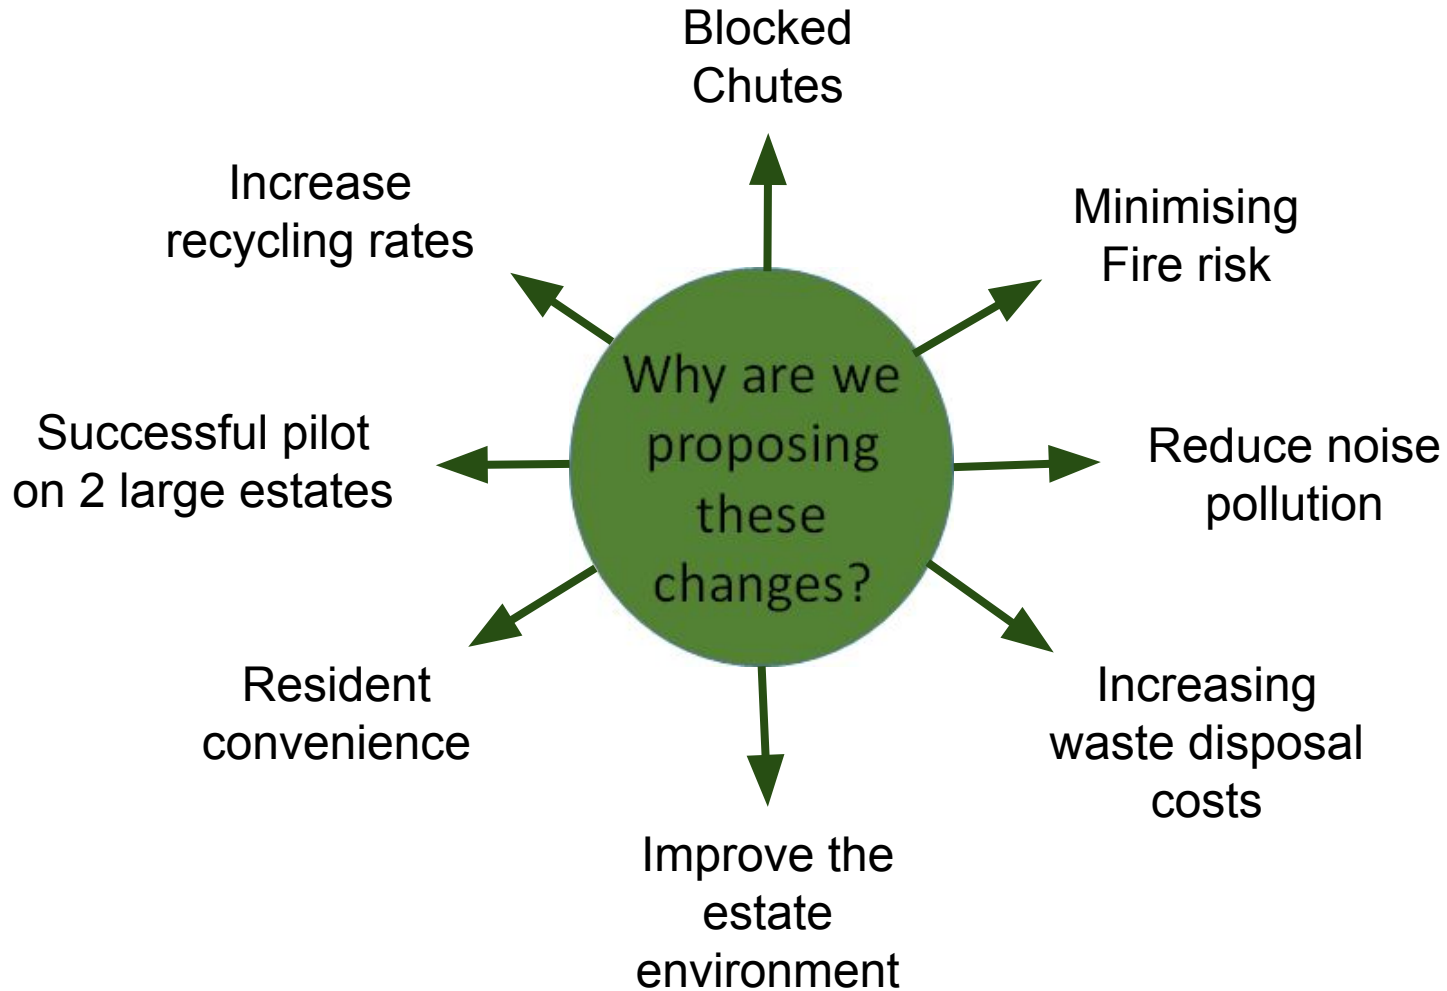

- Christos Tympanaris – Estate Recycling Programme Manager
- Daljit Assi – Estate Recycling Project Manager
- Andrew Dove – Estate Recycling Project Officer
- Kirsty Ainsworth – Estate Recycling Project Support Assistant

Recycling Rate Targets

2020 targets:

- Recycling rate 50% NLWA or 31.5% for Hackney;
- Recycling performance in Hackney Housing estates is very low: 8%-10%

What have we done so far?

Before & After

Before & After

Before & After

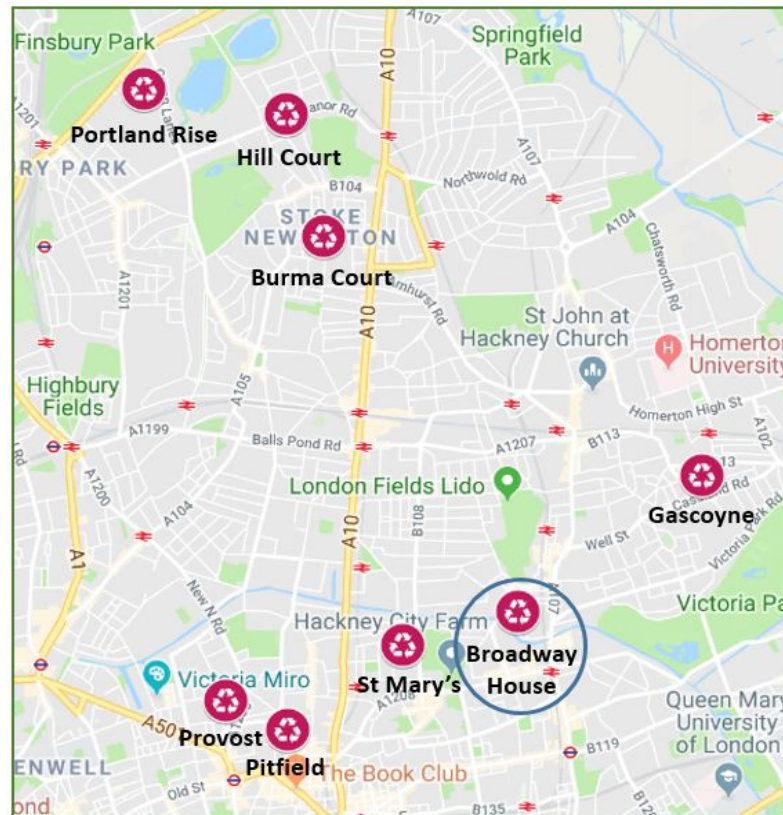

Broadway House Information

- The recycling rate for Broadway House between August to December 2015 was 10%
- From August 2016 to early May 2017 the recycling rate was 16%
- Chutes and bin stores were closed in July 2017
- The most recent recycling rate of 15% was recorded between August 2017 to March 2018. That's a total of 20 tonnes of materials recycled.
- Broadway House is recycling more than the Hackney average for estates.

Proposals

We are expanding the project to deliver these infrastructure changes to 8 more estates over the next 2 years.
