|                          | <b>262</b> | <b>24</b>            |                                |

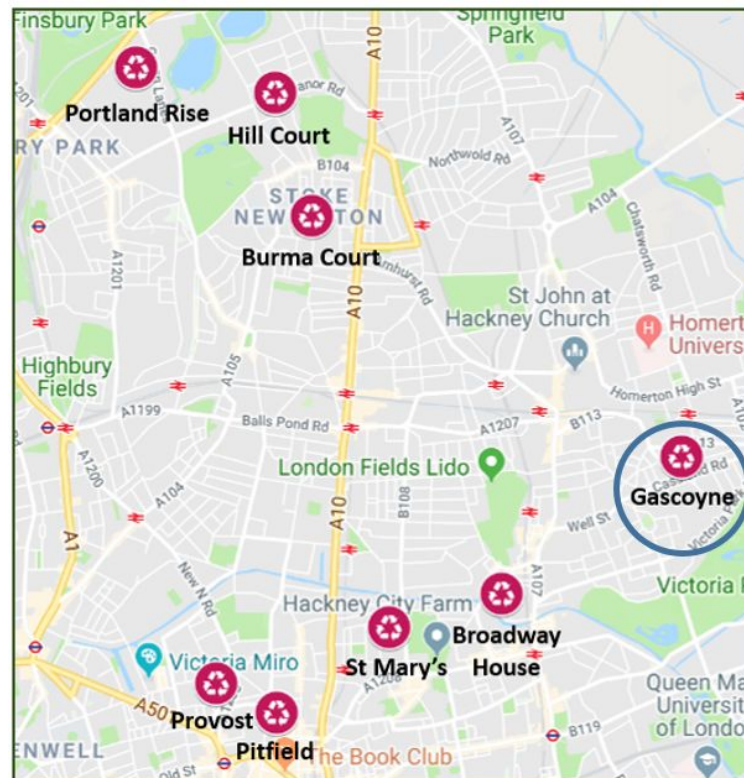

# Gascoyne Estate Information

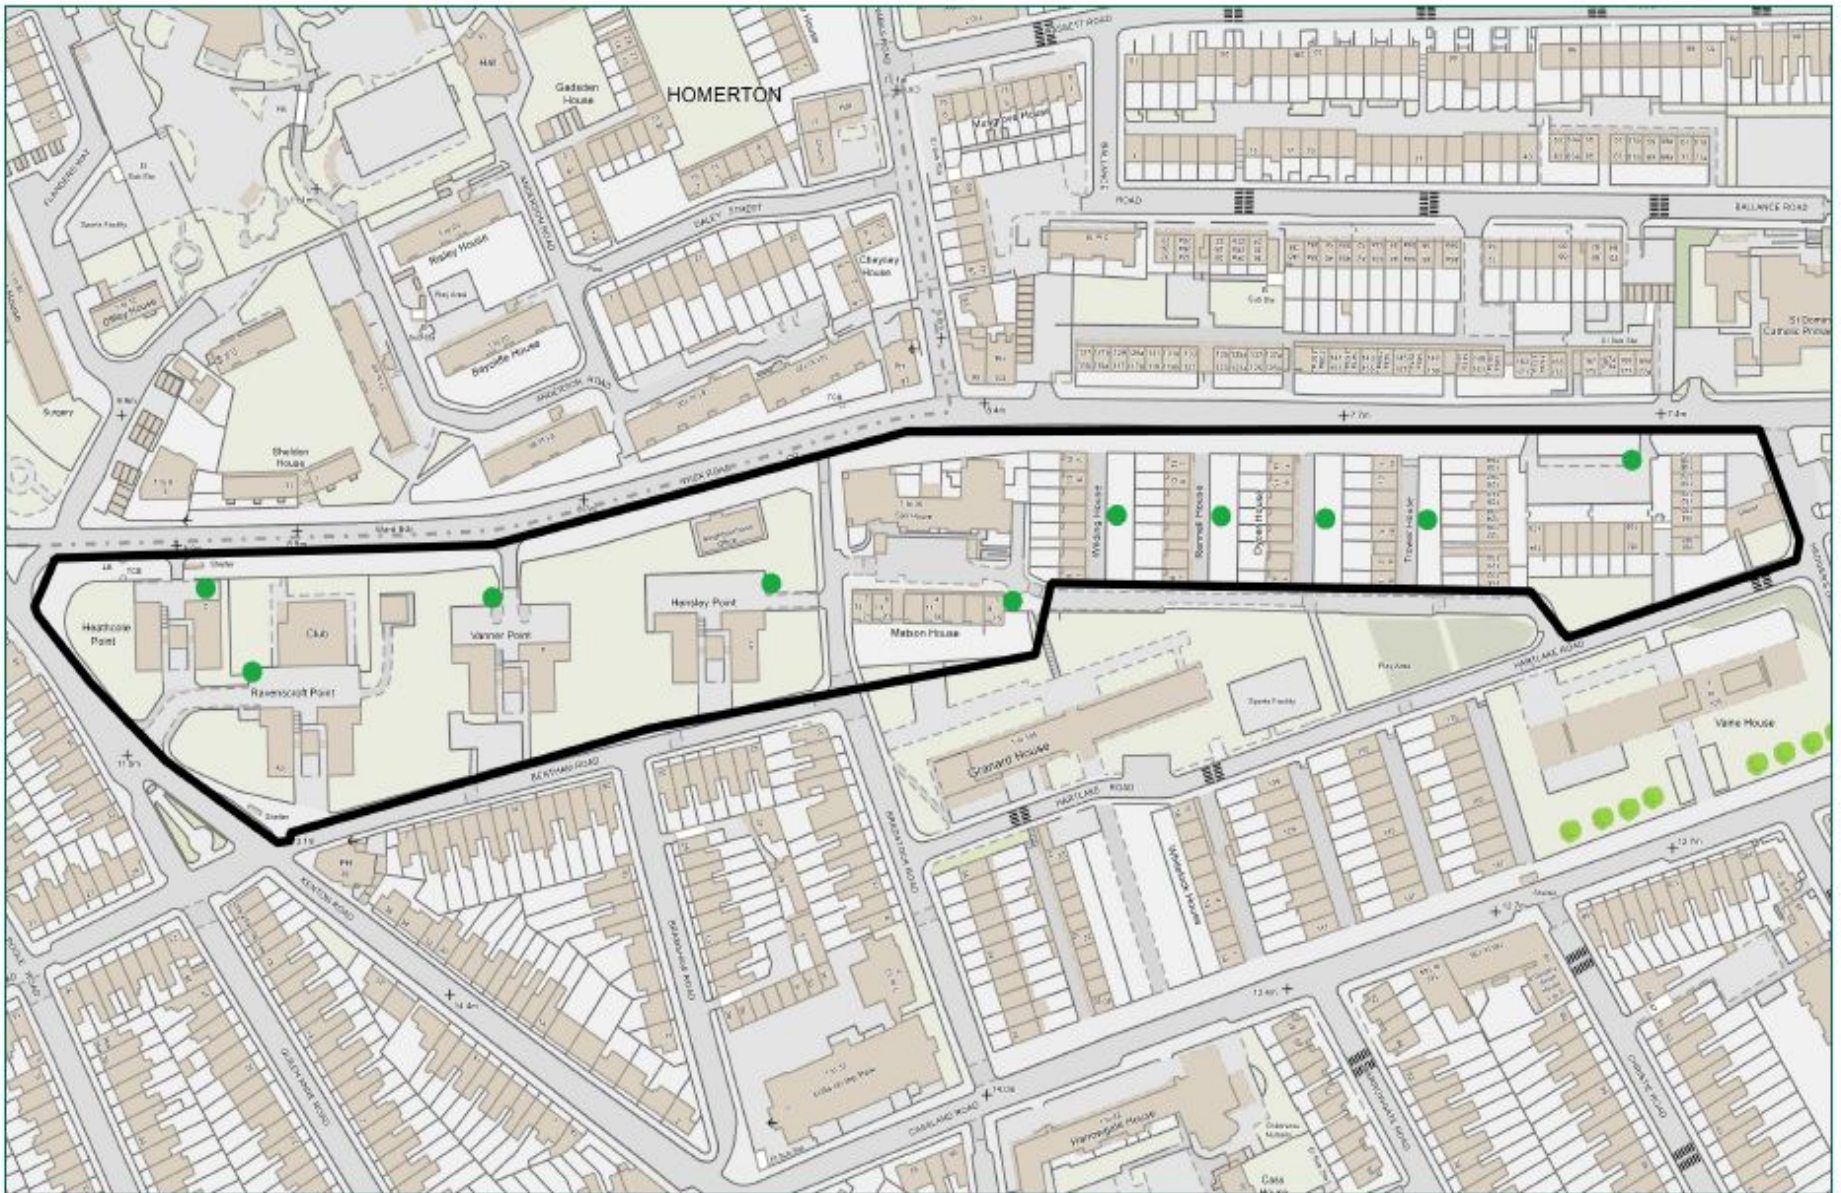

- Since 2005 Hackney Council has spent approx. over £9,000 to unblock the waste chutes for the whole of Gascoyne Estate.
- From May 2017 to early October 2018 the cleaners have unblocked the chutes at Gascoyne Estate 79 times.
- Fire Risk Assessments state that bins should be at least 6 metres away from buildings and the waste chutes should be monitored in case of a potential fire.

# Proposals

- We are expanding the project to deliver these infrastructure changes to 8 more estates over the next 2 years.

Scale: 1:2000 at A4
