

CLAPTON SQUARE

PLAY AREA IMPROVEMENTS

We are improving Clapton Square play area. We are adding some new equipment, a new entrance and a pathway. We would love to hear what you think.

- (A) The swings, spinning disk, see-saw and balance beams are all staying in place
- (B) Existing park shelter
- (C) A series of timber platforms linked by bridges and ropes provides a more challenging climbing structure for older children
- (D) A sandpit provides a home for a new climbing frame and slide, a tractor and trailer and a children's table with log stools
- (E) Tree logs and boulders provide spots to sit, climb and play
- (F) Areas of planting will provide colour and seasonal interest
- (G) A kid friendly climbable entrance has been created along with a new path to improve access
- (H) Additional bench
- (I) An open grass area for running about and picnics

KEY

Existing elements to be retained	Sand pit
Planting	Safety surfacing
Mound with meadow planting	Pathway
Grass	Dual recycling bin
