

Parking Zone Q (Well Street) Review

Consultation Outcome

Why have I received this Summary Leaflet?

In October 2014, we consulted with local residents and businesses about Parking Zone Q (Well Street) to see whether the existing parking controls met local needs.

We would like to thank all those people who returned their questionnaire and provided feedback during the consultation. Your views are important to us and have helped shape the future of parking in your area.

We are pleased to announce that the consultation feedback has been reviewed and the final design changes have been approved by the Council. We will soon be starting sign and lining works in the area to implement these changes.

This booklet provides a summary of the consultation results and final changes that will be made to your parking zone (PZ). It also provides dates of when works are likely to begin.

Design Proposals

Changes in bay allocation – Elsdale Street and Milbourne Street

We also asked for your views on changes to parking bay allocation on Elsdale Street and Milbourne Street so that the design of parking controls better reflects the needs of local users. The majority of respondents were in favour of the proposals (over 75 % (98) and 79 % (100) respectively).

As a result the following changes will be made.

Milbourne Street – Change the permit bays outside No. 9-11 to shared use bays 4 hour maximum stay.

Elsdale Street – Change the permit bays outside No. 28 and Bernie Grant House to shared use bays 4 hour maximum stay.

What happens next?

27 April 2015 – Start of statutory consultation

All proposed changes will be advertised in Hackney Today. All residents and businesses will have the opportunity to comment on the proposed changes for a period of 21 days.

June 2015

Parking Services plans to commence implementation of the proposed changes (pending result of statutory consultation).
