Dear Resident/Business,

Further to the consultation summary leaflet we sent to you in February 2017 about the introduction of parking controls in Zone R, we are writing to inform you of the dates that the lining and sign works are taking place on your street.

Please see table below for exact dates when parking in your street and surrounding streets in your area will be suspended whilst the lining works are being carried out. This means that residents will not be able to park on these street during the dates specified below (dates do not include weekends). Signs will be erected on each street to inform motorists of the dates of the lining works.

***Suspensions dates may be subject to change due to a number of factors beyond our control. This includes weather and whether or not roads have been kept clear of vehicles for works to be completed. Please check the yellow signs affixed to lamp columns in the area for the most up to date information.**

We aim to complete these works as quickly as possible and with minimum disruption. To ensure that we can do this, please help us by moving your vehicle to an alternative street where works are not taking place.

Once we have completed the lining works on a section of road, the yellow suspension signs will be removed so that parking on the street will be available again.

Vehicles parked in suspended bays may be issued with a Penalty Charge Notice and removed to allow us to complete our planned works. Drivers who suspect their vehicle has been removed should contact TRACE on 0845 206 8602.

For more information about the cost of permits and visitor vouchers please visit our website www.hackney.gov.uk/parking or call Hackney Parking Services on **020 8356 8877**.
