

# Supplement - estates questions

If you live on a Hackney Council estate please complete these additional questions. The questions below directly relate to proposals in the Parking and Enforcement Plan (PEP) that affect estates. Please also complete the main questionnaire.

It is important for us to hear from you about what you think of the new PEP, and in particular the new policy recommendations contained within it.

The information is used under the strict controls of the 1998 Data Protection Act and the 2018 General Data Protection Regulations (GDPR). This information will not be used in a way that identifies you.

The consultation **started on Monday 16 August 2021**, runs for 13 weeks and **closes on Monday 15 November 2021**. For more information on each section please refer to the 'Have your say on the future of parking in Hackney' information booklet.
