Our Ref: Wick Road Boundary
24 September 2018

Dear Resident/Business,

Re: Proposed Boundary Change to make parking easier - Wick Road

The works currently being carried out on Wick Road by the Council's Highways team have resulted in the loss of all parking bays on the northern side of the road. As a result, Parking Services have received requests from some residents on Wick Road asking for the opportunity to park in nearby zone L roads (see enclosed map); which are also close to their properties.

While some parking bays are being retained on the southern side of Wick Road, the loss of the parking bays on the northern side of the road has significantly reduced the number of parking spaces available; and has led to increased demand for the remaining bays. The reduction in the number of parking spaces on Wick Road will make it very difficult for residents and businesses in the area to park adjacent to their homes or business premises, and they may need to park several streets away.

In response to the requests we received, and to make it easier for residents and businesses in the northern section of Wick Road to park closer to their properties, we are proposing to amend the parking zone boundary on the northern section of Wick Road (around property

numbers 3 to 243 Wick Road, The Tiger Pub and sections of the Wyke Estate and move them from Parking zone Q into Parking Zone L (see enclosed map).

This change will allow residents to park on nearby roads such as Ballance or Hassett Road, providing the opportunity for them to park closer to their properties.

Currently, the hours of operation in both zones are the same, and therefore will not have any additional impact to residents' parking if this change goes ahead.

Please see enclosed map for more information regarding the changes being proposed.

Please note that this proposal will only affect Zone Q permit holders, we are not proposing any changes to estate parking permits or the parking bays with the estates.

To have your say, please complete the enclosed questionnaire and send back to us using the freepost envelope provided by the **7 November 2018**.

What happens next?

7 November 2018

Consultation closes, please ensure you return your completed questionnaire before this date

January 2019

Results of the consultation along with the details of any changes being made will be made available to the public.

If you have any further queries regarding the above, please email us at consultparking@hackney.gov.uk alternatively you can contact our Service Centre on 020 8356 8877.

Kind Regards,

Kevin Keady
