Dear Resident/Business,

Zone L Displacement – Zone implementation

Further to the consultation summary leaflet we sent to you in August 2017 about the introduction of parking controls in Zone L displacement, we are writing to inform you of the dates that the lining and sign works will be taking place on your street, and the zone's go-live date.

Go Live Date

We aim to begin enforcement in the Zone L displacement area from the **13th November 2017**. From this date, all vehicles will need to display a valid permit in order to park in the area during the hours of operation.

Warning notices will be issued to vehicles parked in the area without a permit from 6 November 2017.

Street Parking Suspension dates

Please see table below for exact dates when parking in your street and surrounding streets in your area will be suspended whilst the lining works are being carried out. This means that residents will not be able to park on the streets during the dates specified below (**roads will only be suspended between 8am and 4pm on the dates below and will not be suspended on**

weekends). Signs will be erected on each street to inform motorists of the dates of the lining works.

Road Name	Description of location	Suspension From	Suspension To
Mabley Street	All parking spaces between Marsh Hill and Hillyfield Close	26 October 2017	27 October 2017
Chevet Street	All parking spaces on Chevet Street	27 October 2017	30 October 2017
Kemey's Street	All parking spaces on Kemey's Street	27 October 2017	30 October 2017
Swinerton Street	All spaces between Chevet Street and Mabley Street	27 October 2017	30 October 2017
Edmeston Close	All parking spaces in Edmeston Close	30 October 2017	31 October 2017
Mabley Street	All parking spaces between Kenworthy Road and Swinerton Street	30 October 2017	31 October 2017
Swinerton Street	All parking spaces between Mabley Street and Edmeston	30 October 2017	31 October 2017

***Suspensions dates may be subject to change due to a number of factors beyond our control. This includes weather and whether or not roads have been kept clear of vehicles for works to be completed. Please check the yellow signs affixed to lamp columns in the area for the most up to date information.**

We aim to complete these works as quickly as possible and with minimum disruption. To ensure that we can do this, please help us by moving your vehicle to an alternative street where works are not taking place.

Once we have completed the lining works on a section of road, the yellow suspension signs will be removed so that parking on the street will be available again as quickly as possible.

Be aware that vehicles parked in suspended bays may be issued with a Penalty Charge Notice and removed to allow us to complete our planned works. Drivers who suspect their vehicle has been removed should contact TRACE on 0845 206 8602.

Applying for permits and vouchers

You will need to have a valid permit or vouchers to park in Zone L extension when the zone goes live. **You can apply for these online or by post now.**

When applying, please ensure that you enter a start date of Monday 13th November 2017 and display your new permit clearly in order to park in Zone L.

Be aware that permit start dates cannot be altered once they have been chosen and an application has been made. Full refunds will be made if they are cancelled before their start date.

Parking in Zone L while roads are suspended

In order to provide you with alternative parking opportunities whilst the lining works are taking place, you will be able to use a permit as soon as it arrives (and before its start date) to park in the existing zone L, so that you don't have problems finding somewhere to park when your roads are suspended for lining works.

Please see our permits page for more information regarding how to apply for a permit; <http://hackney.gov.uk/resident-permits>.

For more information about the cost of permits and visitor vouchers please visit our website www.hackney.gov.uk/parking or call Hackney Parking Services on **020 8356 8877**.

Yours sincerely,
