

Harrington Hill Primary School Traffic Calming Scheme

Public Consultation

December 2016

What is this document about?

This consultation document is about gathering views from the local community on the traffic calming proposals on Mount Pleasant Lane.

Improving road safety and managing the borough's road network as effectively and efficiently as possible are key transport priorities for Hackney Council. To achieve this, the Council has developed a programme of schemes to provide a safer, more accessible street environment for road users, and to reduce the impact of traffic on local residents.

Reduced vehicle speeds offer the benefit of increased road safety, which will make a positive contribution to encourage more walking and cycling.

There have been 4 personal injury accidents over a 5 year period in the immediate vicinity of Harrington Hill primary school, involving 2 child accidents, 1 pedal cyclist and 1 car related accident.

As part of last year's expansion works to the school, the Council is proposing to introduce new additional traffic calming measures on Mount Pleasant Lane to slow traffic down when approaching the school entrance.

We need your views to make sure we create a scheme that works well for local people.

The proposals include:

- Installation of a new raised flat-top speed hump with an uncontrolled crossing facility on Mount Pleasant Lane by its junction with Harrington Hill.
- New paving and kerb-buildouts at the new raised table.
- Relocating the existing speed hump from outside the Harrington Hill Primary School and repositioning it with a new cycle friendly speed hump closer to Bakers Hill junction.
- Removing the existing redundant "School Keep Clear" road markings on Harrington Hill to create additional parking spaces for residents to park their vehicles.
- On Mount Pleasant Lane, revised waiting restrictions on the existing single yellow lines

by the western side kerb from Monday to Friday 7:00 am to 7:00 pm.

- On Mount Pleasant Lane, relocation of the existing "School Keep Clear" road markings closer to the new flat-top hump on the western side kerb to provide better visibility for pedestrians and motorists..
- Installation of two new vehicle activated "SLOW DOWN" signs on the both approaches to the Harrington Hill School on Mount Pleasant Lane.

Please refer to the enclosed drawings for details of the proposals. Additionally visit consultation.hackney.gov.uk to find out more.

Have your Say

Your views are important to us and will help us to make an informed decision. A questionnaire has been provided for you to give your views on the outlined options. Please read, complete and return the questionnaire using the **FREEPOST Streetscene** envelope supplied by **20 December 2016**. There is no need to attach a stamp.

Alternatively, visit

 consultation.hackney.gov.uk if you wish to complete the questionnaire online.

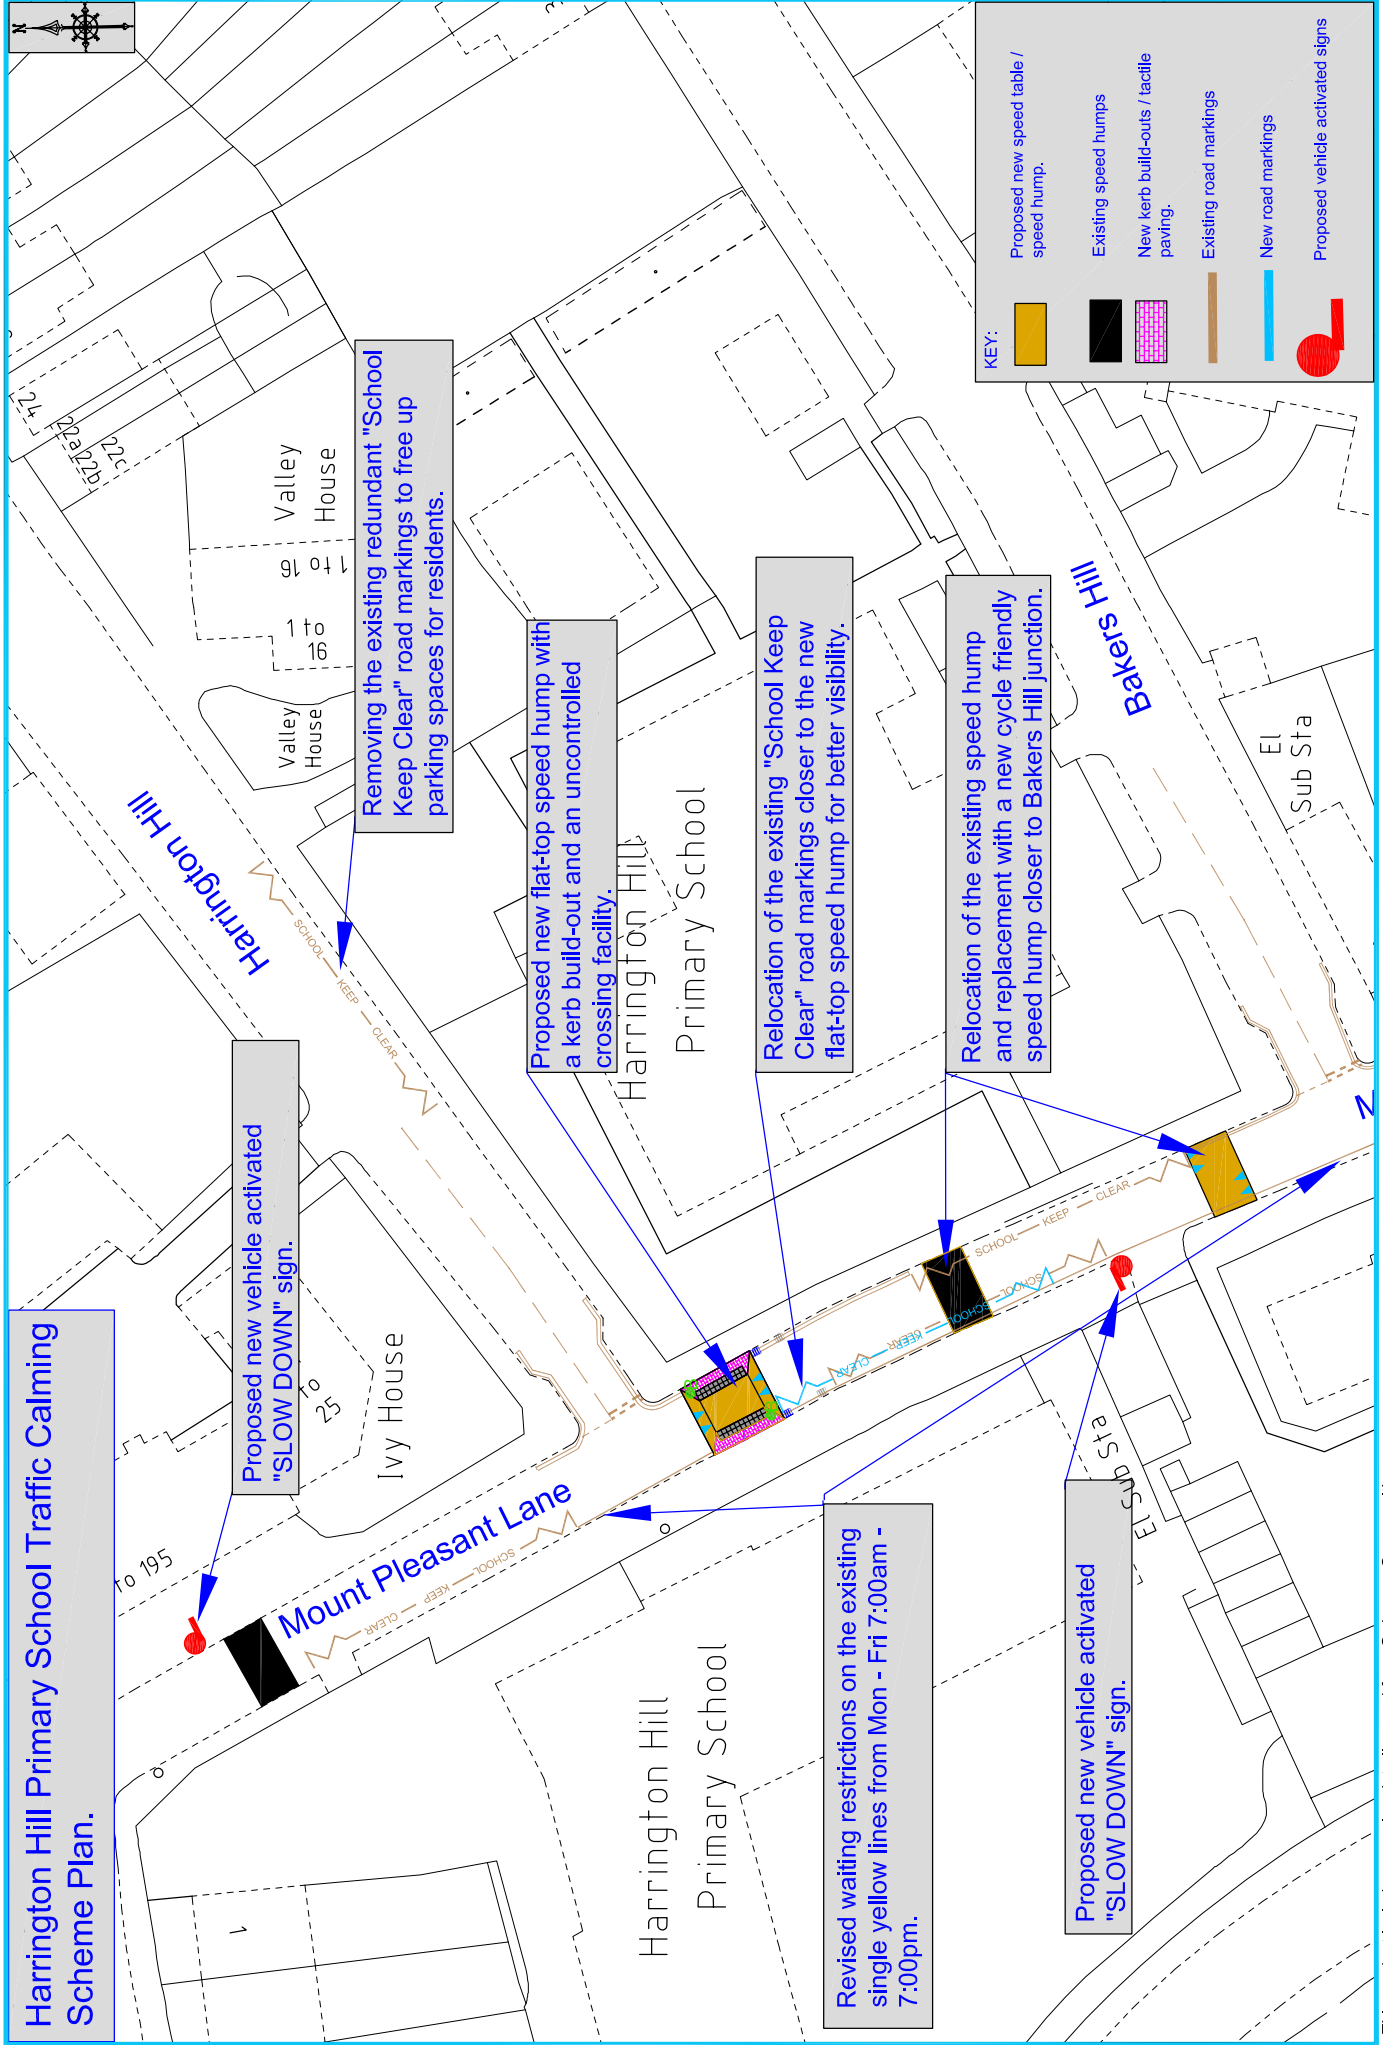

What happens next?

The consultation results will help us reach a decision on whether to proceed with these proposals in your area. The Council will publish the consultation results at consultation.hackney.gov.uk. Should the Council agree to proceed with these proposals, residents and businesses will receive a letter and see public notices advising them on the exact start date of the works.

Thank you for taking the time to reply to this consultation.

Information

 For further information on these proposals, please contact us on: Hackney Service Centre by calling: **020 8356 2897** or by emailing: info@hackney.gov.uk
