 **Hackney**

The Council is delivering £700,000 of improvements at Millfields Park that includes work to pathways, entrances, the play area and the old paddling pool. We will be presenting some of the proposals in Millfields Park on **Saturday 19 July** and want to hear your views. (The proposals will also be on display at Clapton Library and Homerton Library until **Saturday 26 July**)

The views of our residents and stakeholders are valuable to the Council and we want to ensure that what is provided in the park is what people want for their community.

## Who do we want to hear from?

It is important to get views from local people who use the park now and who will use the park in the future.

## Draft proposals for Millfields Park

The Council intends to renew the existing tarmac pathways in north Millfields which are in the worst condition. Improvements to the various entrances to the park will also be made to make them more welcoming. The Council is also proposing to make improvements to the play area, the old paddling pool, fencing and park furniture.
