### How we use your feedback

We will not be able to reply to you individually, but we will consider your comments together with road safety research and statistics in order to help us make a decision about the proposals. Please note that we can only accept one reply per household. You do not need to give your name and address, but doing so will help us to analyse the results of the consultation more thoroughly. Under Local Government (Access to Information) Act 1985, all replies will be available for public inspection, so we cannot guarantee your response will remain confidential.
